INTRODUCING

DIO **125** **X-EDITION**

**RIDE YOUR
XCLUSIVE**

Introducing the **Honda Dio 125 X-Edition** -
a sharper take on the iconic Dio with bold
new design elements. Dio 125 X-Edition is built
to make every ride exciting and effortless.

*The Dio 125 X- Edition is available in Deluxe variant only.

STYLE

ALL-NEW STYLISH & DYNAMIC GRAPHICS

Bold, youthful graphics bring motion and attitude to the Dio 125 X-Edition.

Designed to command attention, these striking visuals give the scooter a strong street presence—standing out confidently in traffic and at every stop.

X-EDITION DECALS

Exclusive X-Edition decals reinforce the scooter's distinct identity, signalling a more aggressive and contemporary character.

DUAL COLOUR BODY

The dual-tone body treatment enhances the scooter's sporty appeal, adding depth and contrast that elevates its premium, modern look.

ALLOY WHEELS: WHEELS THAT TURN HEADS

The all new Mat Frash alloy wheels not only enhance visual impact but also improve balance and durability. Designed for confidence, they complement both city rides and daily commutes.

LED HEADLAMP & POSITION LAMP

For trendsetters who own the night, the sleek LED lights provide a bright, clear view of the road ahead. And the distinctive LED lamp enhances the bold look while adding a touch of flair to your style.

LED TAIL LAMP

The sleek LED tail lamp completes the dynamic rear styling while improving visibility for added safety.

SPLIT GRABRAIL

A bold, sleek grabrail that grabs attention from the first glance onwards.

MUFFLER

A thunderous sound for a thunderous entry. Dio 125's dual-tip muffler announces your arrival before you even arrive.

TECHNOLOGY

TFT SCREEN DISPLAY

The TFT meter delivers crisp visuals and clear ride information at a glance.

Designed for modern riders, it keeps you informed, connected, and in control at all times.

FUEL EFFICIENCY INTELLIGENCE

- Live Mileage Indicator
- Distance to Empty
- Average Mileage
- Eco Indicator

ADVANCED IDLING STOP SYSTEM (AISS)

Advanced Idling Stop System Engine automatically comes to a stop whenever the Dio 125 is under 21Kmph, saving extra fuel in heavy traffic.

POWERFUL 125cc ENGINE

Top-tier power and acceleration to make rides exciting.

PGM-FI FUEL INJECTION

The PGM-FI system optimizes fuel and air for efficient combustion, ensuring steady power and better mileage.

SILENT START WITH ACG

The ACG Starter provides a smooth, silent start every time, and reduces engine maintenance.

The background of the entire advertisement is a close-up, high-angle shot of a car's open glove box. The glove box is black and is open, revealing its interior. On the left side of the glove box, a smartphone is placed vertically. The screen of the phone is lit up, showing the date 'Wed Dec 31' and the time '16:50' in a large, colorful digital font. On the right side of the glove box, a white USB Type-C cable is plugged into a black charging port. The cable extends downwards and out of the frame. The entire scene is overlaid with a large, stylized 'X' shape made of multiple parallel lines that create a sense of depth and perspective, converging towards the center of the image. The lines are a light blue or white color, contrasting with the dark background of the glove box.

RELIABILITY & COMFORT

OPEN GLOVE BOX

An open glove box that's amazingly spacious. So, whether it's your sipper or sunglasses, keep all your essentials close.

USB TYPE-C CHARGING PORT

With the built-in USB Type-C charger, never ever worry about your phone's battery running out.

A background image of a Honda Dio scooter. The scooter is dark-colored with a black seat that has the 'HONDA' logo in silver. The fuel tank is visible, featuring a double-lid external fuel fill. On the right side of the scooter, there is a passing switch with three positions: high beam (indicated by three horizontal lines), low beam (indicated by two horizontal lines), and a 'PASS' position (indicated by a single horizontal line). The scooter is shown from a side-front perspective, with the front headlight and turn signal visible on the left.

DOUBLE LID EXTERNAL FUEL FILL

Now no need to get up to get your
Dio refilled with a double-lid
external fuel fill.

PASSING SWITCH

Pass like a boss with an easy-to-use
passing switch for high beam,
low beam, and passing with a flick.

The background of the entire page is a dark blue, textured surface with a perspective effect, creating a sense of depth. Two bright, glowing blue lines intersect in the center, forming an 'X' shape that divides the page into four quadrants. In the top-left quadrant, there is a close-up of a motorcycle's side stand mechanism, showing a black metal frame, a coiled spring, and a blue and yellow adjustment knob. In the top-right quadrant, there is a close-up of a motorcycle's front wheel, featuring a red alloy rim, a silver disc brake, and a black tire. The motorcycle's body is blue and red, with 'X-EDITION' visible on the side.

SAFETY

SIDE STAND ENGINE CUT-OFF

It automatically shuts off the engine for added safety when the side stand is engaged.

TELESCOPIC FRONT SUSPENSION

Say goodbye to bumpy rides! Our telescopic suspension features dual hydraulic shock absorbers with internal coil springs, designed for minimum vibrations, maximum comfort.

FRONT DISC BRAKE

High-performance disc brakes fitted in sleek alloy wheels, perfect for those who like to stay stylishly in command.
